SECTION 1 – SCHOOL INFORMATION

HS.1.01 – WELCOME

Welcome to Vilonia High School! We are excited to welcome you into our school as we engage in the work of achieving “*Success for all students.*” As we begin a new school year, I want to encourage you to look at this opportunity with optimism. Instead of approaching another year of school as something that has to be dreaded, I challenge you to consider this quote--“*Sometimes we’re all too quick to count down the days that we forget to make the days count.*” How might you change the way you are approaching this new year to make it feel like a gift?

I hope that you will be challenged and encouraged to take ownership of **your** education. Our goal at Vilonia High School is to help you lay the groundwork for your post-secondary career. We will work together to navigate the many choices and opportunities you will encounter during your time with us.

Our faculty and staff are ready to help you in any way we can. Please feel free to ask for our assistance if you need help. Let’s work as a team to make this year a huge success!

HS.1.02 – VILONIA HIGH ALMA MATER

*Vilonia High, for you we take our stand,
Vilonia High, the best school in the land,
In our hearts you’ll hold a place always,
Memories of our dear school days;
Vilonia High, the red and the white,
Oh! For your fame and glory we will fight;

HS.1.03 – SCHOOL COLORS AND EMBLEM

The colors of Vilonia High School are red and white. They are used in all letters given by the school and the uniforms worn by the athletic teams. The emblem, which is applied to all athletic teams and school publications, is the EAGLE.

HS.1.04 – PARENT CONCERNS

Parents are welcome to make appointments with teachers during their conference periods. In the event that parents or guardians need to resolve a problem or address a concern within Vilonia High School, it is best to attempt to resolve the problem at the point of origination. If the concern originated in the classroom:

1. The **teacher** and/or the **guidance counselor** should be first allowed to address the situation.
2. If there is no resolution, **building level administration** should then be approached.
3. If there is still no resolution, **Central Office administration** should be contacted; these include the **Assistant Superintendent** and/or the **Superintendent**.
4. If the problem remains unresolved, the parent/guardian may request a meeting with the **School Board**.

HS.1.05 – FAMILY AND COMMUNITY ENGAGEMENT PLAN SUMMARY

Our staff understands the importance of involving parents and the community as a whole in promoting higher student achievement and general good will between the school and those it serves. Therefore, Vilonia High School shall strive to develop and maintain the capacity of meaningful and productive family and community involvement that will result in partnerships that are mutually beneficial to the schools, students, parents, and the community. To achieve such ends, Vilonia High School shall work to:

- Provide additional information to parents and increase parental involvement in supporting classroom instruction.
- Inform parents about parental involvement programs, meetings, and other activities available during the school year.
- Provide information to parents about volunteer opportunities at Vilonia High School..
- Provide various resources for parents with the help of our District Parent Center.
- Engage parents in the evaluation of our parental involvement efforts. Contact Kim Lacy at 501-796-2113 for further information.

HS.1.06 – ESCHOOL PLUS – HOME ACCESS CENTER

eSchool Plus – Home Access Center (HAC) is a tool which connects to teachers' grade books, which allows up-to-date information on students' progress. Students' grades can be accessed at [eSchool Home Access Center](#). eSchool Plus – HAC allows easy communication to the teachers by email. Home Access Center (HAC) usernames and passwords will be mailed home before the beginning of the school year.

SECTION 2 – ACADEMICS

HS.2.00 - REQUIREMENTS FOR ATTENDANCE

Vilonia High School students (9th-12th) may be absent no more than nine (9) days per semester. When Vilonia High School (9th-12th) students miss three (3) days (full days or individual classes), in a semester, the parent(s), legal guardian, or persons with lawful control of the student, or persons standing in loco parentis will be notified. Notification shall be by telephone by the end of the school day in which such absence occurred or by regular mail with a return address sent no later than the following school day.

Whenever a student exceeds the allowable number of absences in a semester, the District shall notify the prosecuting authority and the parent, legal guardian, or persons with lawful control of the student, or persons standing in loco parentis shall be subject to a civil penalty as prescribed by law.

Students exceeding the allowable number of absences in a course in a semester shall not receive credit for that course. If the student fails to receive credit for a sufficient number of courses and after consultation with persons having knowledge of the circumstances of the absences, the student may be denied promotion or graduation at the discretion of the principal. Unexcused absences, however, shall not be a reason for expulsion or dismissal of a student.

HS.2.01 – REQUIREMENTS FOR GRADUATION

A minimum of 24 credits is required for graduation at Vilonia High School. Students in grades 9 through 12 must be enrolled in a full day schedule.

REQUIREMENTS

Total	24
English	4
Social Studies	3

Electives*	7

* 1 credit may be from Military Split Training Option.

* 1 credit may be from an approved volunteer program.

* Students transferring to VHS that classify as a Junior or Senior (H.S.2.04

Classification) may qualify for a reduction of up to two (2) elective credits with administrative approval.

Students graduating from an Arkansas Public School or Public Charter School must meet or exceed the state minimum 22 graduation credit requirements as adopted by the Arkansas State Board of Education. Smart Core is the set of rigorous course requirements for all Arkansas public high school students. Students are reminded that Arkansas requires a minimum of 22 graduation credits, but graduation from Vilonia High School requires 24 credits.

Fifth year students choosing to enroll in less than the required high school courses will not be considered as full time high school students. After meeting graduation requirements, the student will be granted a diploma but will not be allowed to participate in graduation exercises. Driver education class will be posted on the transcript for documentation purposes. The grade will not be reflected in the GPA or class rank.

Students who wish to pursue early graduation may do so but must obtain the specific required courses for early graduation somewhere other than through Vilonia High School. All courses taken by Vilonia students other than those offered through the Vilonia School District must be approved for credit prior to students' enrollment in those courses. All courses substituted for Vilonia School District requirements must be equivalent in content and difficulty to the replaced courses. Students who substitute college courses for those offered at Vilonia High School must submit college grades at each college grading period. Failure to report the college grades will result in students not receiving proper credit for their courses.

HS.2.02 – GENERAL CONCURRENT CREDIT POLICY

Vilonia High School students are eligible to enroll in accredited college classes, at their own expense, and receive both college credit and high school credit upon successful completion of the course and according to the DP.5.22 – Concurrent Credit. Students will be considered full-time high school students if they maintain at least the minimum high school courses according to Act 675 of 2003, which requires all students to have six (6) hours of instruction each day.

- A. Classes that meet less than 120 hours per semester will be the equivalent of ½ unit of high school credit.
- B. Classes that meet more than 120 hours per semester will be the equivalent of 1 unit of High School credit.

Courses taken on college campuses by students meeting the above conditions may be weighted as honors classes if they represent the same content and time requirements as honor courses listed in section HS.2.05 of this handbook.

Any student who has not fulfilled all requirements of a course at the end of the semester will receive a failing grade in that course for the semester regardless of the other grades. Semester tests are part of the required work for each class, unless a student has qualified for an exemption. A student earning a D or F in a course may choose to retake the course and have both grades displayed on their transcript.

For purposes of transcripts and/or college admission, all courses except Advanced Placement (AP) & Arkansas Department of Education approved honor courses will be weighted according to the 4.0 scale. The following weighted courses will be used to calculate class rank, Beta club eligibility, and honor graduate status.

HS.2.08 – SEMESTER TESTS

Semester tests are part of the required work for each class, unless a student has qualified for an exemption. Students with no out-of-school suspensions (OSS) and no chronic disciplinary infractions are allowed to miss the following number of days based on their academic performance and still be exempt from semester tests:

- 90% average or greater--four (4) days
- 80% average or greater--three (3) days
- 70% average or greater--two (2) days

All absences will count against the allowable absences except for those that are related to school business. In addition, three (3) tardies will count as an absence for semester test exemptions purposes. Exempt students may choose to take semester tests to improve their final grade. Under these conditions, a semester test will not lower the semester grade. Any group effort or group activity which disrupts the educational process could (at the discretion of the administration) result in the changing of the semester test exemption policy and/or the semester test schedule.

HS.2.09 – MAKE-UP WORK

Students who miss school due to an absence shall be allowed to make up the work they missed during their absence. DP.4.08 – Make-Up Work states rules 1-9, the following rules have been added:

2. Students on school business, school trips, or field trips shall have one class day to make up their work for each class day they are absent.
3. In cases where absences are caused by extenuating circumstances or in situations of prolonged absenteeism, special arrangements for completing make-up work can be arranged with the teacher.
4. Students participating in scheduled school activities or school trips will not be counted absent from school. However, work missed for such absences must be made up according to DP.4.08 and the policy stated above.

HS.2.10 – CONWAY CAREER CENTER

It is mandatory for the students who attend Conway Career Center to use the transportation provided by the Vilonia School District. Students will be subject to the same standard of conduct that presides over the Vilonia Transportation Department, and the bus driver will file bus conduct reports as seen appropriate.

In the event you must be removed from the bus due to conduct that is not conducive to the safety of other students, you will be dropped from the Conway Career Center. If your assignments require your vehicle to be present, you must see Mr. Simmons and other arrangements may be made. Very few requests to drive will be permitted.

In the event that you miss the bus for any reason you will be assigned detention. If you wake up late & drive yourself, detention will be assigned. If you come to school and miss the bus, you will be assigned detention &

SECTION 3 – SCHOOL & STUDENT PROCEDURES

HS.3.01 – BEFORE AND AFTER SCHOOL

Tenth through twelfth grade students arriving at school before 7:45 am are expected to wait in the gym lobby, courtyard, or in the cafeteria. Ninth grade students are expected to go directly to the ninth grade cafeteria in the Old Middle School building. Students are not allowed to be at their lockers, in the restrooms, or in any classroom unless they have permission from a teacher or administrator prior to the bell. Students are not to leave the campus after arriving without permission from an administrator.

Students are expected to leave in their vehicles or board their school bus as soon as possible. Students are expected to leave the campus promptly unless they will be supervised by a staff member.

HS.3.02 – BUS RIDERS

Riding a school bus is a privilege. The obligation of the school district is to transport all students in a safe manner. Any student who displays unacceptable conduct or an uncooperative attitude may lose the privilege of riding a bus.

**In the event a student needs to ride a different bus home from school, a parent or guardian must send a note to school with the student to be dropped off in the VHS Office before school which gives:*

1) permission for the student to ride the other bus,

2) a parent or guardian signature, and

3) a phone number for the VHS Office to contact the parent to verify the note.

All notes will be verified by phone before students are allowed to ride another bus home. Students will be instructed to stop by the VHS Office later in the day to pick up the note to present to the bus driver. No student will be admitted on a school bus without a note that has been verified by the office.

HS.3.03 – CAFETERIA SERVICES

The school cafeteria serves breakfast each morning (between 7:30 and 7:50 a.m.) and lunch every day. The cost for school breakfast is \$1.50. The cost for school lunch is \$2.75. Students who are not purchasing the school lunch may bring a lunch from home and purchase a drink at school.

There is no charging for second meals, ala carte items, or snack bar items.

Beverages are available for the students in the canteen area. It is the students' responsibility to use the machines properly and to dispose of the beverage containers in the proper receptacles. Food and beverages may be taken to the courtyard. Food and drinks are not allowed in the classroom without administrator approval.

HS.3.04 – CHECKING OUT OF SCHOOL

Students must check in with the VHS Office if they arrive at school after 8:00 AM. Students arriving after the tardy bell for that class will complete the check-in procedures and be issued a detention unless they are arriving at school after a medical appointment, court, or funeral, and present documentation from this appointment at the time they are checking into school. Should extenuating circumstances arise, a student may

contact an administrator to discuss their specific situation. After reviewing the student's unique circumstance, the d-hall may be waived if the administrator deems necessary.

Checking out of school is discouraged, but in cases where it is necessary, the procedure is as follows. Students must have either:

1. Note from parents stating reason, time for check out, and a phone number. Verification by phone must occur prior to student checking out.
2. Parents call the school's office and request that the student check out. Verification will be required for safety purposes.
3. Parents come to the school's office and pick up the student.

Students must plan for checking out in advance and will not be allowed to phone parents seeking permission to check-out. After complying with one of the above, the student must have permission from the office to complete the check-out procedures and leave. Students must physically come to the VHS Office to check out and to check in. Students must be present half the period to be counted present. If the student is absent for more than half the period, the student will be counted absent for the entire period. Students may not abuse this practice, or they will be counted absent after the third (3rd) early check out per term for semester test purposes.

Students who drive vehicles (including motorcycles and bicycles) to school will park in the student parking lot and leave the vehicle immediately. Students are not allowed in their vehicles during school hours unless given permission from the office. Students should not be on campus after school hours except for a scheduled school activity. Students lingering around school or driving through the campus will be subject to a loitering violation.

Vehicles cannot be moved until school is dismissed unless the student has permission from the office to leave early. Students are to exit the school parking lots by way of Hwy 64. Students trying to exit towards the elementary and middle school before 3:45 p.m. will lose their driving privileges. Students needing to drive to an off campus location during the school day must receive administrative approval before doing so.

Parking spaces will not be assigned, but each student driving to school must purchase a parking tag for their vehicle. To purchase a parking tag – proof of insurance, a valid driver's license, and the student's vehicle license number must be shared with the VHS office. The cost will be \$10.00. Students who must take medication must follow these guidelines:

Lockers are made available to students for keeping books and other personal belongings during school. Lockers are not to be opened during classes, except in an emergency. There is a \$5 locker rental fee.

Students should have no expectation of privacy when renting lockers. Inspection of student lockers and their contents is a right and the responsibility of school administrators whenever there is reasonable suspicion to believe illegal items are kept there. Students should be aware that school officials have this right. Lockers shall be opened in the student's presence when administratively feasible. Items which are specifically prohibited by law, board policy, or school regulations may be confiscated. The student shall be given a receipt for any items confiscated. In addition, the school respects the civil rights of each person in our schools and will uphold these rights. At the same time, school property is not to be regarded as a sanctuary from enforcement of the law.

No items shall be attached to the exterior of the locker without school approval, and only school appropriate items may be attached to the interior of the locker. Damage either by neglect or abuse will be repaired at the expense of the student.

HS.3.24 – TARDIES

A five (5) minute break will be allowed between each class period. Tardiness, as a general rule, will result in disciplinary action; however, in extreme circumstances, special consideration could be given. **It is the student's responsibility to contact a building administrator to discuss any special circumstances regarding tardiness.** Tardiness due to transportation will not be excused unless you are riding a school bus. Students are expected to be in their seats when the tardy bell begins. If a student fails to do so, he/she will be assigned detention by the teacher. Students tardy to first period must check-in at the office and will be assigned detention. For semester test exemption purposes, three (3) tardies will count as an absence from class.

It shall be the responsibility of the custodial parent to make any court-ordered, no contact order, or other restrictions regarding the non-custodial parent known to the principal by presenting a copy of a file-marked court order. Without such a court order on file, the school will release the child to either parent.

Vilonia School District Student Technology Device Agreement

Guardians of Vilonia Students:

Students in grades K-12 will be assigned Chromebooks that will enable them to effectively engage in remote learning. Utilizing these Chromebooks teachers will have a greater ability to integrate classroom instruction and technology for all students. We're excited about the new potential for learning this will bring to our students!

If you would like for your student to bring home a Chromebook, you and your student must first read and agree to the following terms with your signature. If you do not agree with the terms of this agreement, the student will be permitted to use a school provided device at school only and will rely on personal device access while at home.

Student ID will be required when picking up Chromebooks for checkout.

What is a Chromebook?

- A Chromebook is a tablet/laptop like device running the web-based Chrome-OS.
- Chrome-OS has been used by students in the district since the first pilot program in 2011.
- The Vilonia School District retains ownership of any Chromebooks checked out. These devices are *loaned* to the students for educational purposes while enrolled at Vilonia Public Schools.
- Chromebooks work best with WiFi but offline functionality is available. For more information on offline mode please [click here](#).
- Free public Wifi is available in a variety of places. While you still want to be careful about using public Wifi (especially when private information such as school, online banking, etc. are concerned) all of the data on Chromebooks is automatically encrypted. Some of the places you can get free WiFi are:
 - Most public libraries
 - Most fast-food restaurants (McDonalds, Taco Bell, etc.)
 - School (please see the map here for the best outdoor locations in the event school is closed).
- Internet services are offered through a variety of ISPs (Internet **S**ervice **P**roviders) such as Windstream, AT&T, Verizon, TCWorks. You can contact each ISP to see if service is available in your area. Some services are available via [S.N.A.P](#) benefits for reduced cost.

Students and their parents/guardians are reminded that use of District Technology is a privilege. All activity performed on any District-owned computer, network, or electronic communication device will be monitored by school authorities. Inappropriate use of District Technology can result in limited use and/or legal/disciplinary consequences. In addition, student Google Accounts are owned by Vilonia Public Schools and the content is monitored by the District and the State of Arkansas Department of Information Systems.

Technology use in Vilonia Schools is governed by federal laws, including the Children's Online Privacy Protection Act (COPPA). The school's use of student information is solely for education purposes.

- Vilonia Schools provides content filtering for student use of Chromebooks inside and outside of the District. The content filter is compliant with federally mandated Children's Internet Protection Act (CIPA). Bypassing or attempting to bypass the Internet Filtering Software or changing device settings or network configurations on the Chromebook is unacceptable.
